

Powerwash Xtra
Heavy Duty Multipurpose Cleaning Fluid
Product Code: AU3

Product Description

Cages Powerwash Xtra is a blend of surfactants, sequestrants and alkaline builders designed for use as a high power automotive, plant and industrial detergent based degreasing fluid. This solvent free product produces a controlled foam to aid cleaning when used in a pressure system and includes a special additive system to aid rinsing, it is also biodegradable.

Applications

Cages Powerwash Xtra is suitable for use in either hot or cold pressure wash systems as well as alkaline degreasing tanks. It may be used for such diverse applications as degreasing metal parts, cleaning and degreasing vehicle chassis and underbodies and cleaning tile and concrete floors as well as many other applications.

This product may be used neat for the most severe degreasing operations or diluted by up to 200:1 with water, the actual dilution depending on the severity of the operation.
